GENERAL SECT. 2 AUG. 1943

Sir,

RE:- Transfer of land granted for cardamom cultivation.

I have the honour to state that Government in their order No.G.4695-7/Ft.3-33/7 dated 8th January 1934 granted 15 acres of land in survey No.53 of Mudugundi in Balur State Forest to Mr. Domingo Crestes of Taravi for cardamom cultivation. The grantee did not take possession of the land and start cultivation but tendered his resignation on 17th January 1936. Thereupon the Range Officer, Mudigere distributed the same land between two other applicants Messrs. Lachma and Lanja of Tarave dividing the area into two plots of eight and seven acres respectively. Necessary agreements have also been taken from these two and land tax is also being recovered regularly from 1936-37.

The transfer should not have been effected without orders of Government. However, as it is explained that it was done with a view to improve the revenue of Balur State Forest for which this was the only source, I recommend that the transfer effected may be kindly approved and orders of Government communicated to me early

I have the honour to be,
Sir,
Your most obedient servant,

B.P. Ramakrishna
Chief Conservator of Forests.
